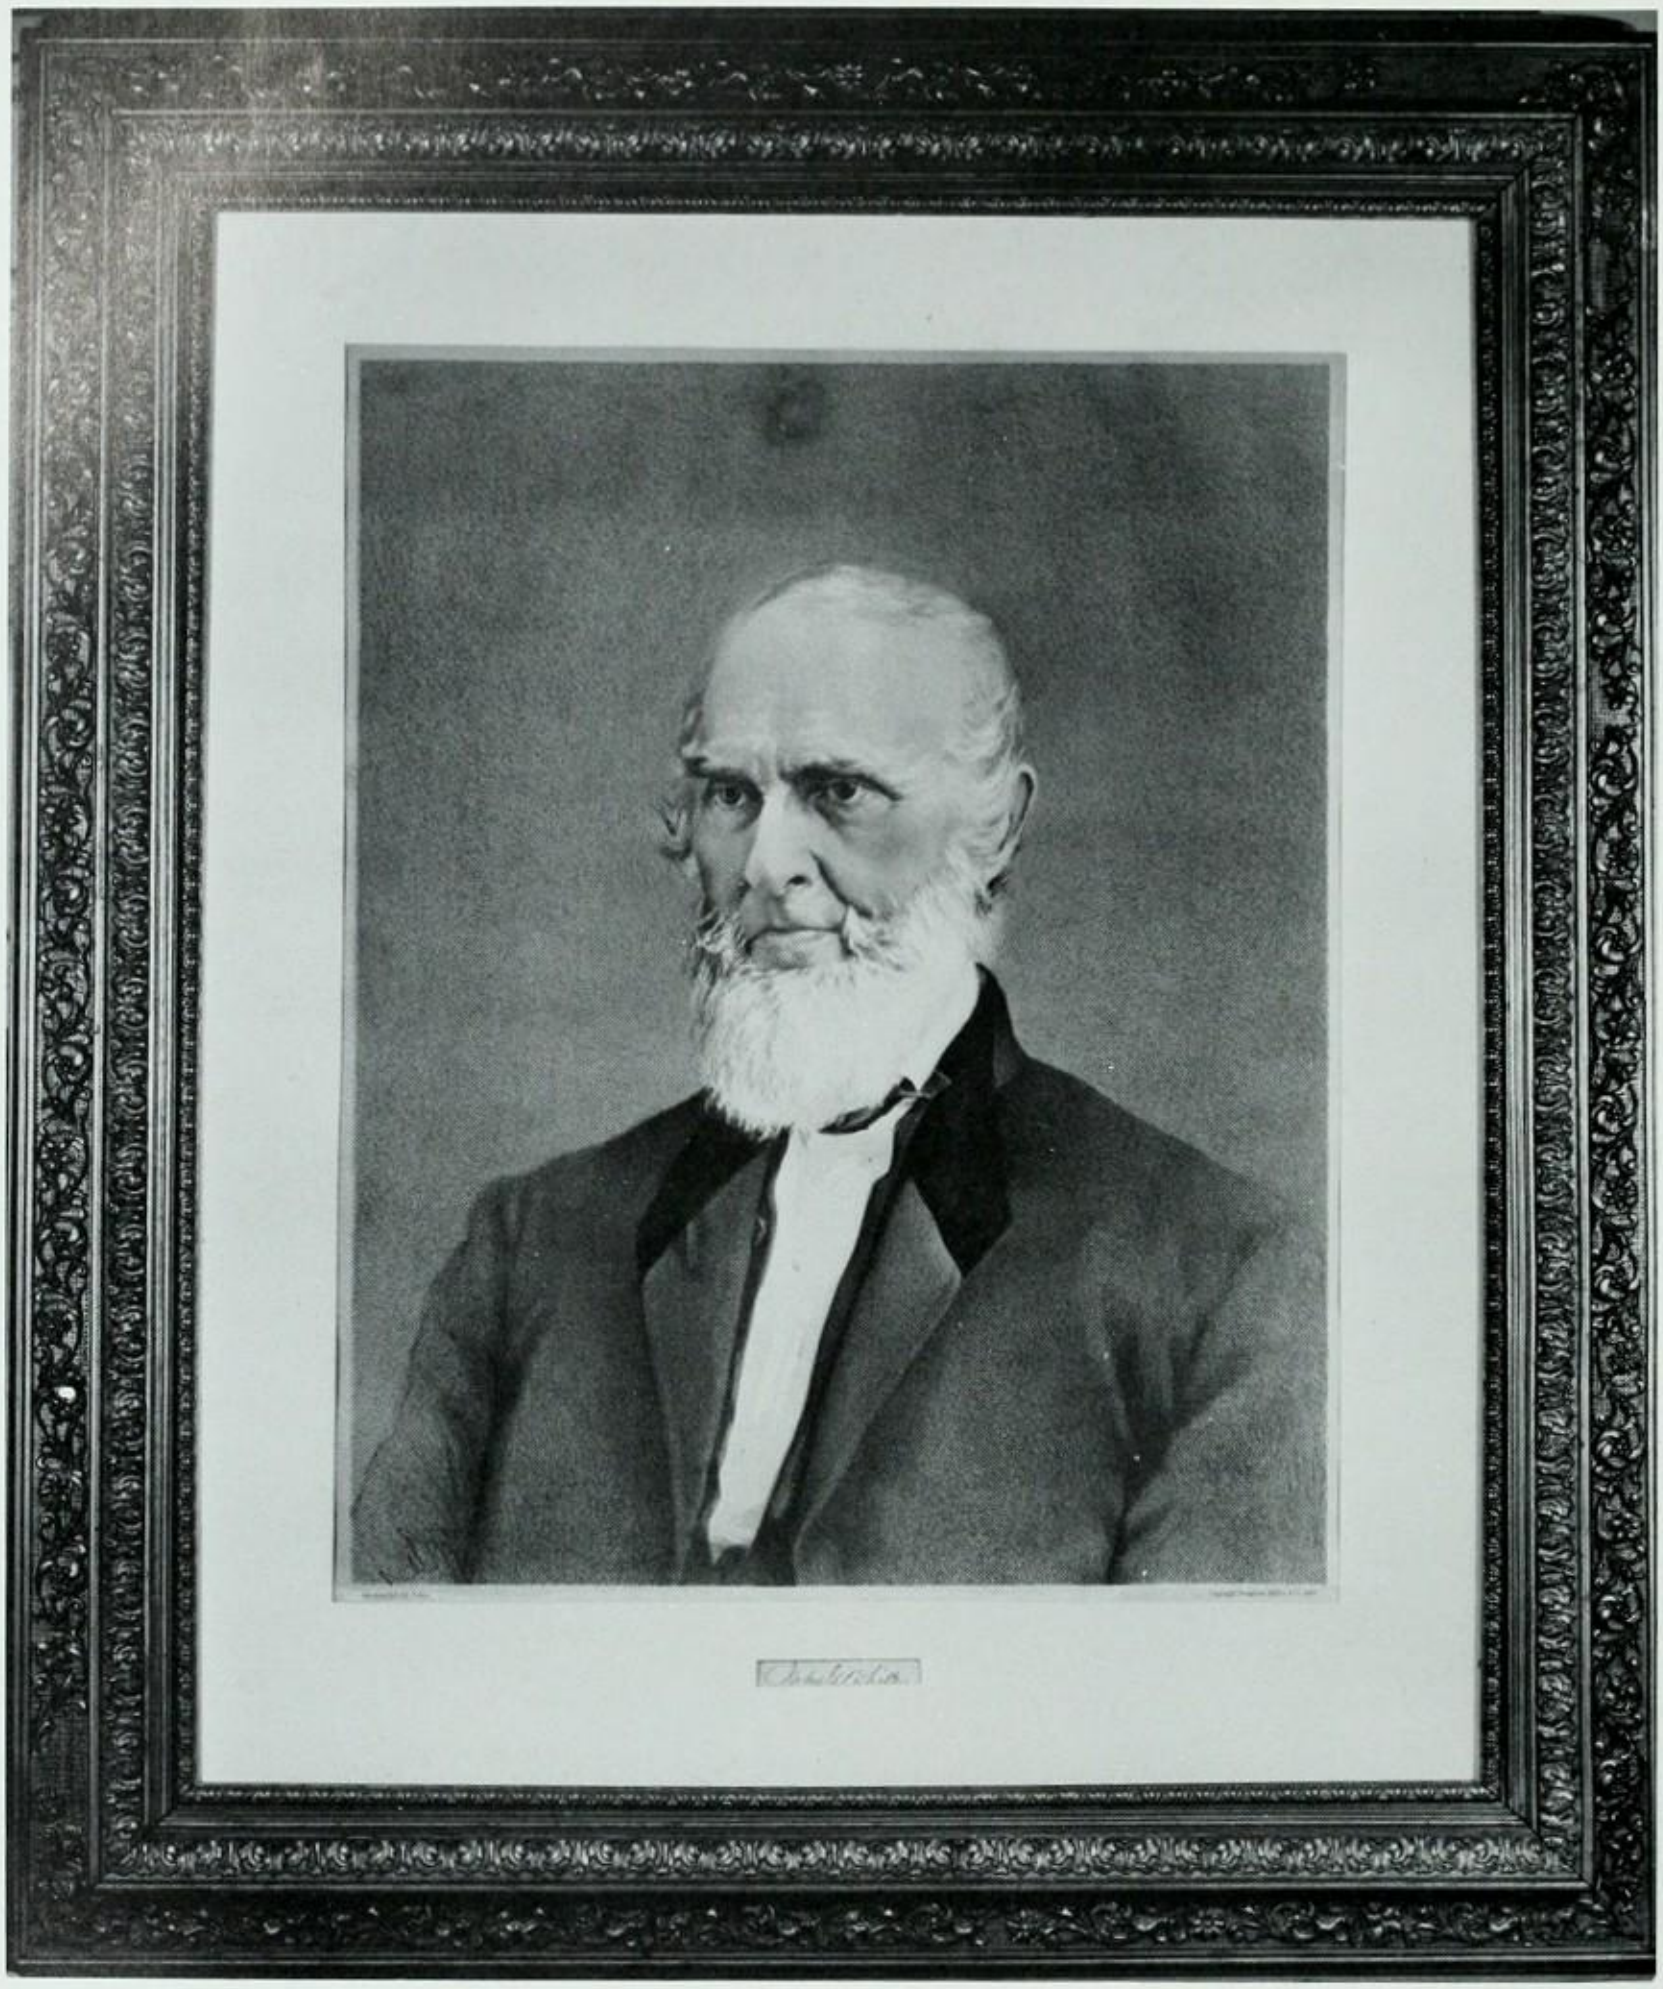
— Nineteen Hundred and Sixty-Three

Published by the
Associated Student Body
of
Sierra High School
9401 So. Painter Avenue
Whittier, California



Seventy-five years ago a group of Quaker pioneers met to select a name for a new city, a modest Christian community that was to be high in cultural and educational achievement. After many months of deliberation, they agreed to honor a man of their own time, an American poet and fellow Quaker, John Greenleaf Whittier.

During the seventy-fifth anniversary of our city, we should take a moment to reflect on this man whose name we mention every day of our lives. Being familiar with his "Barefoot Boy" and "Snow-bound," we tend to think of Whittier only as a rustic poet. But Whittier was something more—he was the poet of the anti-slavery cause. He supported labor reform and wrote stirring chronicles of the vivid pages in American history — wars, explorations, discoveries. He was a fighter as well as a farmer, an idyllic dreamer as well as a breaker of idols.

Throughout these pages, lines from the works of John Greenleaf Whittier accompany pictures of places familiar to us in the city with which he felt proud to share his name.

# "My Name I Give to Thee"

Ed Young

The name my infant ear first heard
Breathed softly with a mother's kiss
His mother's own, no tenderer word
My father spoke than this.

No child have I to bear it on;
Be thou its keeper; let it take
From gifts well used, and duty done
New beauty for thy sake.

The fair ideals that out ran
My halting footsteps, seek and find;
The flawless symmetry of man
The poise of heart and mind.

Yet when did age transfer to youth
The hard-earned lessons of today?
Each life must learn the taste of truth
Each foot must feel its way.

Dear town, for whom the flowers are born,
Stars shine, and happy song birds sing,
What can my evening give to morn
My winter to thy spring?

A life not void of pure intent,
With small desert of praise or blame;
The love I felt, the good I meant,
I leave thee with my name.

**In 1900 one high school was adequate for the education of the young people of the Whittier area. To Sierra's Student Body,

Speaking for the Cabinet and our entire student government, I thank you for letting us serve Sierra. It has been a rewarding experience for all of us and one that we shall always remember.

The Cabinet has not always agreed on topics of discussion, nor has the student body always agreed with its student government. Certainly this is as it should be. In order for a democracy to flourish, its members must constantly be concerned and active in its government. I am proud to say that I have represented a school that is concerned about its government and has spoken out for what it believes.

Our offices have been trying ones at times, but we have attempted to stand up for what we thought was best for the entire student body. Often times this has conflicted with the desires of individuals. But this is the way a democracy must function.

I wish next year's Cabinet the very best and hope they are granted insight into the core of the problems they may face.

# A.S.B. Cabinet

One of the functions of the modern high school is to provide opportunities for leadership training. Students at Sierra are able to obtain this experience in various ways, one of which is by serving on the A.S.B. Cabinet. As elected representatives of the student body, the group has the major responsibility of acting as the primary link between the administration and their fellow students concerning all student matters. These officers have the responsibility of approving expenditures and budgets, planning assemblies, organizing all student body functions, and representing Sierra at other schools. These people, with their adviser Mr. Jack Landis, have given extensively of their time and energy to doing an outstanding job for Sierra.

One of the greatest honors which can be achieved by high school students is membership in the California Scholarship Federation, a statewide academic organization composed of the upper 10 per-cent of California students. To be eligible for C.S.F., a student must earn at least three "A's" and one "B" in the semester prior to his application for membership. # C.S.F. Life Members

Life membership in C.S.F. represents the highest level of scholarship that it is possible to obtain in a California high school. To be eligible, students must have earned membership in the California Scholastic Federation for four out of the last six semesters, including at least one in the senior year and have a consistently high citizenship record.

The students pictured here are those who attained life membership during the first semester and, together with those who made it during second semester, compose the largest group of life members in Sierra's history.

C.S.F. LIFE MEMBERS—Bottom Row: Carol Kunitsugu, Charles Holz, John McKibben, Phil Moncrief, and Janice Burton. Top Row: Robert Williamson, Robert O'Brien, and Thomas Kelly.

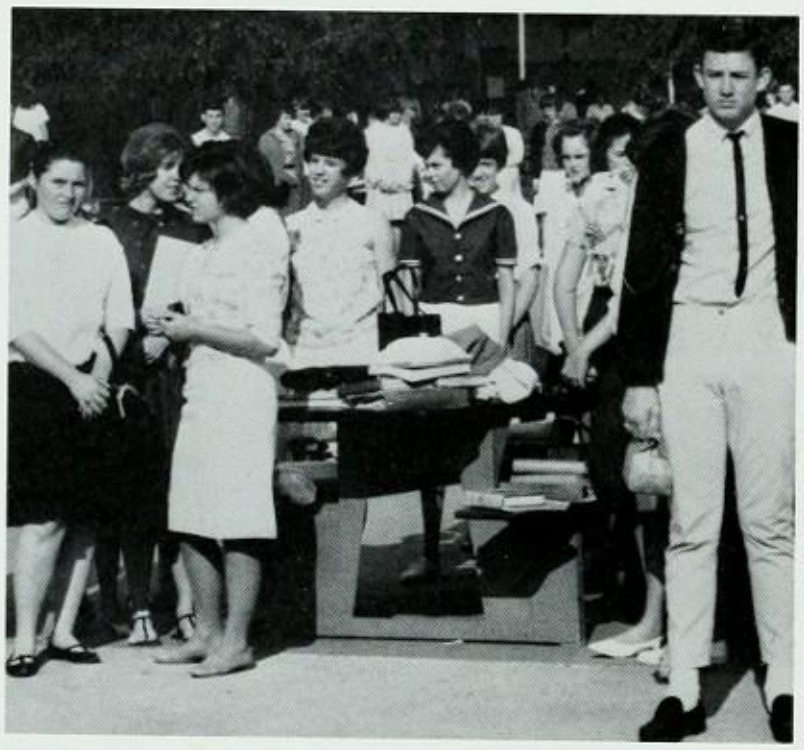
# Students in Spartaland

Another day begins . . .

Hear the Singers hum!



We proudly salute . . .

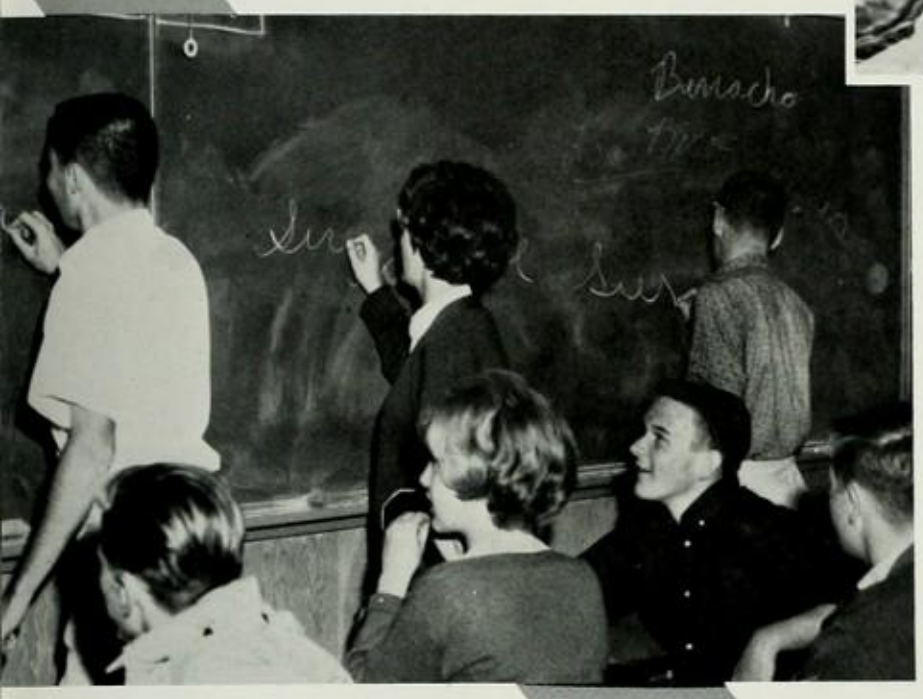
"If I give them two extra problems, maybe I can beat them to the door when the lunch bell rings . . ."

"You think it won't work, don't you?"

"On your mark, get set, READ!"

Life takes on a hectic aire from the moment one gets off the bus until the chimes ring out at 3:15.

"Are you sure you want cauliflower ears on that one?"

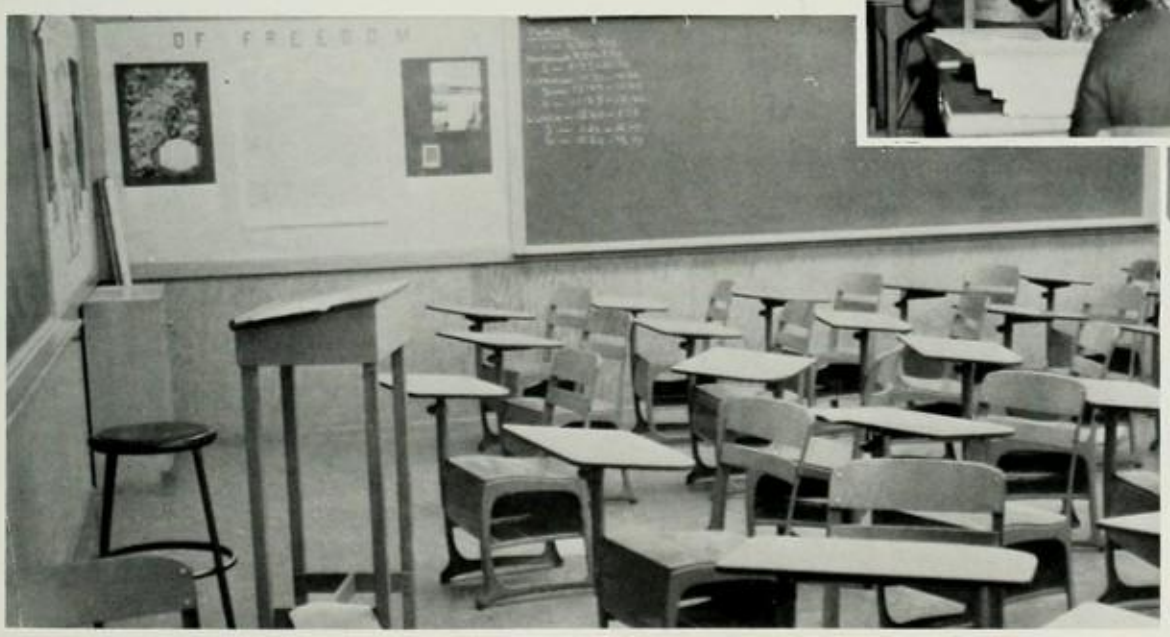


¿Como se escribe, mountains?

"Come on girls, the teacher is watching!"

"Everybody loves Saturday night!"

How to succeed in business . . .



3:16

CHERYL REINHARDT
Editor-in-Chief

Spurred on by cries of "Hurry up, we have a deadline to meet!," the twenty-two members of the yearbook staff gallantly waded through the two hundred pages of copy, pictures, and headlines that compose this year's **Oracle.**

It often seemed as if editor Cheryl Reinhardt was the only staff member who understood that unknown quantity grandly referred to as "The Plan," but the others "tried." The business staff tried handling staggering amounts of money; the copy staff tried to describe things that hadn't happened yet; the photographers tried to be everywhere at once; and the layout staff tried to outguess everybody else. Probably the most tried amid the frantic activity was Mr. Smith's patience. His often repeated phrase, "I like your idea—do it over," was the embodiment of despair for 22 pairs of ears daily.

In those last hectic days before the book went to press, however, even the most optimistic were amazed as the isolated components miraculously began to fall into place. Then, with solemn ceremony, the last stamp was slapped on the last envelope and the book was off to the printer.

Our purpose as members of the Oracle staff has been to record as best we could this year of your high school life. As you review the year through these pages, we hope the memories you find are pleasant ones.

# Sword and Shield

Setting the atmosphere for Sierra's newsroom is the syncopated music of clicking typewriters and the pressure of constant deadlines. The problems of publishing an edition of the Sword and Shield every two weeks are unique to the members of ML 100's fourth estate, for in no other place on campus are students engaged in such activity as this.

Gallons of paste and glue, reams of copy paper, and a hundred typewriter ribbons annually are not all that go into a school newspaper. The frantic frenzied hunt for the right word to describe that last football game or the big question mark in the mind as to whether or not the issue will be full of holes — or even if it will appear on its regular Friday noon schedule—are all a vital part of every reporter and editor's life as a Spartan journalist.

No one else can experience the relief of a deadline past and a paper gone to press; but neither can anyone other than a reporter feel the satisfaction of seeing his story in print.

Besides establishing an outstanding system of elementary and secondary schools, the early residents of Whittier also founded Whittier College, a liberal arts institution that first opened its doors in 1901.

In and out let the young life as steadily flow
As in broad Narragansett the tides come and go;
And its sons and its daughters in prairie and
town
Remember its honor, and guard its renown.

TOM ADAMS
President

Dear Senior Class,

This, our last year at Sierra, has been filled with successful activities and accomplishments, due only to the great support and cooperaion of our hard working council and a very wonderful senior class.

We have the greater part of our lives ahead of us, but we will never forget our years here at Sierra.

All of us will now leave Sierra for good, but our minds will always be filled with wonderful memories of her.

My thanks to Sierra and all of it's wonderful seniors, the class of "63."

Sincerely,

Tom Adams

1963 Rose Princess

# Rose Princess

Representing Sierra in the 1963 Tournament of Roses Parade was lovely Sue Miller, selected from a group of thirty Spartanettes. Through a series of interviews each girl was rated on the basis of personality, poise, and scholarship.

As Rose Princess, Sue appeared at various civic functions, including the Whittier Christmas Parade, a dinner at the Hacienda Country Club, and a Bridal Fashion Show at Hinshaw's Department Store. The high point of her reign came when she and six other girls from the Whittier high schools depicted a bridal party atop the prize winning Whittier float.

Seven girls, one from each high school in the Whittier area, portray a bride and her attendants on Whittier's float **Something Borrowed, Something Blue**, at the Seventy-Sixth Tournament of Roses Parade.

# Junior Class

This has been a highly successful year for the class of 1964, and credit for this must be given to the individual members and to the hard work put in by the advisors.

Two weeks were spent in collecting clothes and toys for the new Fairview State Hospital for the mentally retarded; three car-loads of materials were sent to the hospital. The recipients expressed their gratitude to the entire student body for its generosity.

A great deal of work was put in by the council members in organizing the Junior-Senior Prom. It was successful due to their efforts and the support of the junior and senior classes.

I would like to take this opportunity to thank all those who helped to make this a successful year.

Sincerely,

John Benson

# Sophomore Class

Dear Sophomore Class:

As your president this year, it has been a great honor to have represented such an outstanding council and class. I was very pleased with the cooperation given to me, not only by the council, but by the whole class as well.

The big project of the year was sponsoring the "Spring Fling." Planning and carrying out the various jobs involved gave each member of your council an opportunity to serve you and to develop their leadership. This and other projects enabled us to add to our class treasury enough money to insure a good foundation for our Junior and Senior activities and projects.

I would like to thank all who participated in our class activities. I hope all of you will give the same amount of class participation to those who will lead you next year. Sincerely,

Craig Baugh

JIM HODGES
President

Dear Freshman Class,

Your council has done an exceedingly fine job this year. With the aid of our advisers we have started the beginnings of our treasury. Several of the council's activities included Slave Day, the Novelty Dance, and the Car Wash.

If our next three years at Sierra are as successful as our first year has been, we shall surely have a future of merit and value.

Sincerely,

Jim Hodges

For the past twenty-nine years the Whittier Art Association has promoted interest in art by encouraging individual creativity and by sponsoring exhibitions in the gallery on South Painter Avenue.

The huskings and the apple-bees,
The sleigh-rides and the summer sails,
Weaving through all the poor details . . .
We spend the time with stories old,
Wrought puzzles out, and riddles told . . .

# homecoming queen

**Remember When** was the festive theme of Sierra's third annual homecoming celebration, which was held on October 26th. The day commenced with a special assembly attended by students and alumni. Tension mounted as the candidates for queen were presented one by one and reached a climax when Alicia Arredondo was crowned the 1962 Homecoming Queen. Throughout the day the Queen and her four princesses carried out their official duties of greeting alumni and promoting spirit. That evening the royal court reigned over the La Mirada game and concluded the day's activities with the traditional homecoming dance.

Helping to promote the spirit and enthusiasm for which Sierra is noted, were the six song-leaders who led the Alma Mater at the end of each assembly and encouraged pep at the games. The group spent many hours working up novelty routines to present at the many activities and athletic events at Sierra.

BOB KIGER, Head Yell Leader

Great enthusiasm and spirit were displayed by this year's yell leaders as they inspired the rooters at all Spartan games, assemblies, and rallies. In preparation for the busy year ahead, the group attended a special clinic held at Redlands University where they gained valuable experience in leading yells and working as a group.

Providing them with equal amounts of pride and exasperation was the stubborn mechanism of the new "Spartan Special," a 1930 Plymouth, which was loaned to the student body and was appropriately decorated with "fight" slogans and displayed during each week's game activities.

Drums rolled, trumpets blared and "Sierra" was spelled out in bright colored shields carried by the six lively bannerettes. When leading the parades and half-time shows, these girls proudly announced the Spartan Band and Drill Team. In order to work out the polished routines that were seen this year, the group spent many long hours working closely with the band and its director, Mr. Orville Hinshaw. # Command

The Senior Rockettes danced to the strains of Hennessey.

Bells rang out as the fifth annual **Command Performance,** Sierra's talent show, was presented in the Boys' Gym on March eighth and ninth. The production titled **Ding Dong Bell,** centered around the story of a local girl who develops a crush on an exchange student from Hawaii. Throughout the production thirty-six versatile groups pooled their talents to help her execute her crafty scheme to get his attention.

After many exciting moments at Green Pines Lodge and the Lazy Belle Dude Ranch, chance finally brought the couple together as they are aboard ship bound for Hawaii.

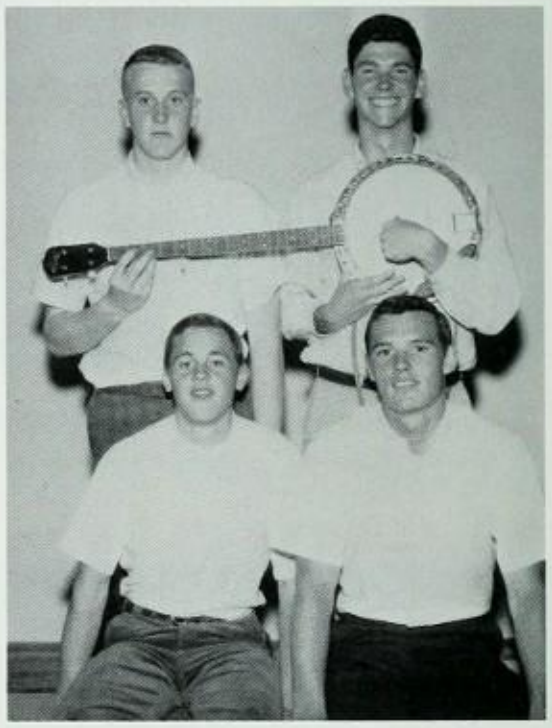
# Ding Dong Bell

Pat Fawcett, Student Dance Director, added to the show with Mombo Jambo.

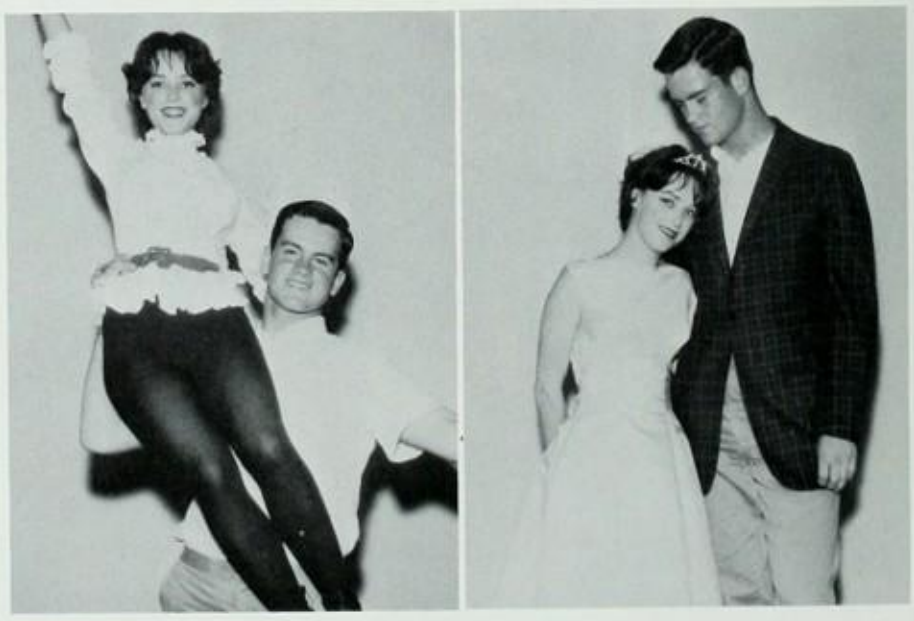
Presenting a selection of medleys for the performance was Sierra's Boys and Girls Ensemble.

Providing the music for the production was Sierra's Dance Band, the Skylighters.



Bob Thompson, Paul Kraus, Bob Kiger and Erwin Craig sang about their adventures in the snow.

The Hula Group entertained the guests aboard the S.S. Constitution on the way to Hawaii.



The main characters of Annabelle and Tom Koolihe were portrayed by Carol Fleischman and Tom Adams.

# A Distant Bell

"Ding dong, supper's on! Ding dong!"

"Hold me, John, hold me tight."

"A Distant Bell," this year's winter play, rang out loud and clear to enthusiastic audiences for three evenings starting on November 3. The play, written by Katherine Morrill, told the sometimes happy, sometimes sad story of a woman and her three daughters and the trials and tribulations of their lives. The final scene, which brought the play to an almost tragic conclusion, showed how people can sometimes be drawn toward the abyss of human disaster when they are misunderstood by others.

"Burton, Dora, Keene—What are you up to?"

"Mother? I'm so cold, mother."

Victory again hailed the varsity football team as the mighty Spartan gridders went into another season and came out on top for the second consecutive year. The pre-season play started out with wins over Santa Fe and Los Altos; then came a 6-14 defeat to the Don's of El Rancho, followed by a 0-0 tie with Cal Hi.

The regular Suburban League schedule began with a 24-6 victory over the Artesian Pioneers, and in the following weeks Sierra dominated league play with wins over La Mirada, Mayfair, and Pioneer High Schools.

The important La Serna game cinched the Suburban League Championship for Sierra and sent the Spartan team into C.I.F. competition, where it was unable to surmount the more powerful Spartans of West Covina, who won the game by a score of 12-0.

The Junior Varsity Football Team enjoyed another great season with the record of 6-2-1, the second best in the history of Sierra. The team started out with wins over Santa Fe and Los Altos, a 0-0 tie with El Rancho, and followed by 13-0 over the rival Cal Hi. The next two games, the only losses of the season were at the hands of the Artesian Pioneers and the La Mirada Matadors. The remainder of the schedule was highly successful as the Spartans ran through such opponents as Mayfair, Pioneer and La Serna.

This year's cross country team began the season with few returning varsity members, but in spite of this lack of experience, the Sierra runners completed a very successful year and went on to capture third place in the Suburban League competition, second place in the double A, C.I.F. preliminaries, and eighth place in C.I.F. finals, making it the first Sierra cross country team to ever go to the C.I.F. finals.

In the last two C.I.F. events of the season, senior Lewis Jones led Sierra's runners, setting a new school record of 9:03 in the preliminary races, and going on to capture ninth place in the finals. Dave Ruyle, Richard Joyce, and Joe Moreno also distinguished themselves as outstanding runners and will return next year to form a part of the nucleus of the Sierra cross country team.

This year's wrestling squad, coached by Mr. Gene Leach and Mr. Jim Snowden, placed third in Suburban League competition. The team compiled a record of three wins and two losses, triumphing over Mayfair, La Mirada, and Artesia, and losing to La Serna and Pioneer.

One of the most outstanding records achieved this year was by the team captain, Larry Lopez, who won all his matches in pre-season and league competition. For this accomplishment his teammates named him "Wrestler of the Year."

# Varsity Basketball

Bob O'Brien makes a hard drive down the base line for two points against Whittier.

The saga of Sierra's Varsity Basketball team of 1962-'63 is filled with ups and downs. The team began the season with a 54-46 victory over El Rancho but went on a losing streak after two meetings with Western of Las Vegas, Norwalk, Calhi, and Long Beach Wilson.

Entering the La Habra Invitational Tournament, the cagers hit their stride. After a comparatively easy victory over Sunny Hills, the Spartans won a thriller over Calhi, 50-47, in the second round. Against El Rancho in the championship game, the cagers fought uphill in the fourth quarter to win, 64-60, and take the tournament.

After Christmas, the Spartans downed Lowell, but lost successive games to Whittier, Montebello and Long Beach Milliken. In the league opener against Artesia January 18, the Spartans downed the Pioneers 54-44, with their finest defensive performance all season. Smashing victories over La Mirada and Pioneer were recorded in the first round of Suburban League play, with losses to Mayfair and La Serna.

Going into the second round in the second place, the Spartans yielded to Artesia and Mayfair, but downed La Mirada and Pioneer for the second time. The final game with La Serna would decide who would advance to the C.I.F. AAA playoffs. With a 54-51 overtime win over the Lancers, Sierra met the powerful Dominguez Dons on February 26, 1963, and lost, ending the regular season.

The season ended on an uptrend, however, just as it began, when the Varsity defeated the Alumni, 62-58.

The Sierra Varsity team had a most successful season this year, emerging Surburban League Champions with four wins and three losses. In the Artesia meet, Richard Joyce, with 50.9 in the 440, and Dan Mason, with 53'5¾'' in the shot put, broke the established marks. John Hertzberg achieved a new time of 20.0 in the 180 low hurdles in the La Mirada meet, and in the Santa Fe meet, Mike Hogan jumped 6'2½'', setting another new varsity record. In the Mayfair meet, Spartans who shattered previous scores were Lew Jones with 1:59.5 in the 880, Mike Hogan with 13' in the pole vault, Pat Dowd with 10.0 in the 100 yard dash and 21.9 in the 220, and John Hertzberg with 14.6 in the 120 high hurdles.

The Bees displayed great abilities by winning all their meets and also taking the Surburban League Championship.

Rallying from a slow season start, Sierra's swimmers, guided by the excellent coaching of Mr. Don Poucher, surpassed all pre-season expectations, with the Varsity and Cee teams taking League Championship and the Bee team placing second. Consistently turning in fine performances were Varsity swimmers Jon Van Cleave, Fred Westberg, Tom Wardell, Pat Werner, Terry Achor, and Dave Stouffer.

Spartans on the Varsity, Bees, and Cees, came through with outstanding performances to beat La Serna for the Suburban League Championship. Mike Anderson took a second place in the district which added to the splendid year Sierra swimmers had.

At the time the Oracle went to press, Coach Joe Wolfe's Varsity Baseball team, with a 5-win, 1-loss league record, had set its sights on the championship of the Suburban League. The club, composed of several returning lettermen and experienced J.V. ball players, had shown signs of brilliant play and a lot of hustle in their pre-season battles.

Veteran catcher, Tim Young, was leading the hitting with a consistent .365 batting average. Senior shortstop-third baseman, Reg Dobbs, was keeping a .333 average through 10 games, while Jim Cox, Gary Skinner, and Dan Heath were handling the pitching.

"As for the rest of the season, we hope to continue the quality of our first round of play and finish as Suburban League leaders," stated Coach Wolfe.

Girls' Athletic Association President Jerry Carter headed the extensive sports program available to Spartanettes this year as the organization provided playdays and inter-school competition in many areas.

Assisting Jerry was her Cabinet, Vice-President Diana Crane, Treasurer Barbara Campbell, Publicity Chairman Donna Crane, and Play Day Chairman Phyllis Cole; while managers Shirley Broyles, Sandra Cook, and Arlene Shea aided in coaching the teams. Miss Verla Bateman held the adviser's post for the 62-63 season.

First in popularity were tennis and volleyball, with the tennis team capturing a first place in WUHSD league play.

# Athlete of the Year

For the second year in a row, Sierra's coaching staff has selected an athlete whom they feel has displayed outstanding achievement, a satisfactory scholastic standing, and a good record of sportsmanship, and who thus has earned the honor of being named Athlete of the Year.

This year, a desire to learn and an intense competitive spirit have combined to produce an outstanding athlete who is well qualified for this honor.

Although his athletic career began much the same as most athletes, it wasn't long before his ability began to stand out. In football he gained a long list of honors. In both his junior and senior years he was named to the All-District Team and was a unanimous All-Suburban League choice. As a senior, he was honored as the league's Lineman of the Year. To climax his football career at Sierra, he was chosen a member of the large school, All-C.I.F. Football Team.

This outstanding player also excels in wrestling. In his last two years at Sierra he was the Suburban League Champion in his weight division and both years advanced into the C.I.F. wrestling finals.

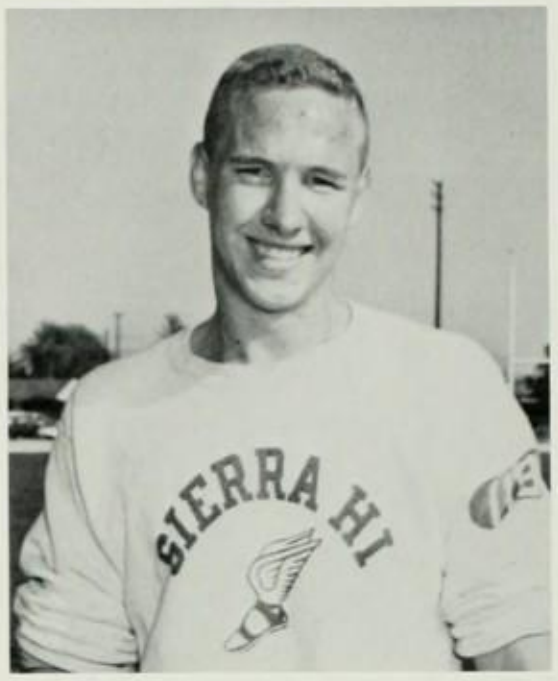
It is seldom that an individual gains so many honors. Those who know him, however, realize that if any one person deserves these accolades, it is LARRY LOPEZ, Athlete of the Year, 1963.

# 1962 - '63 Outstanding Players

The nine athletes pictured below were named the most outstanding players of the year in their particular sports by the coaching staff at Sierra. They received this distinction on the basis of their athletic, sportsmanship, and leadership abilities.

Baseball: TIM YOUNG

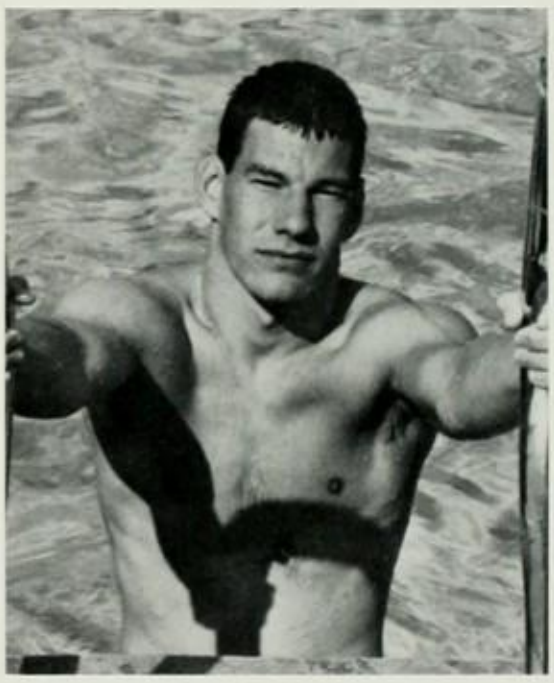
Basketball: BOB O'BRIEN



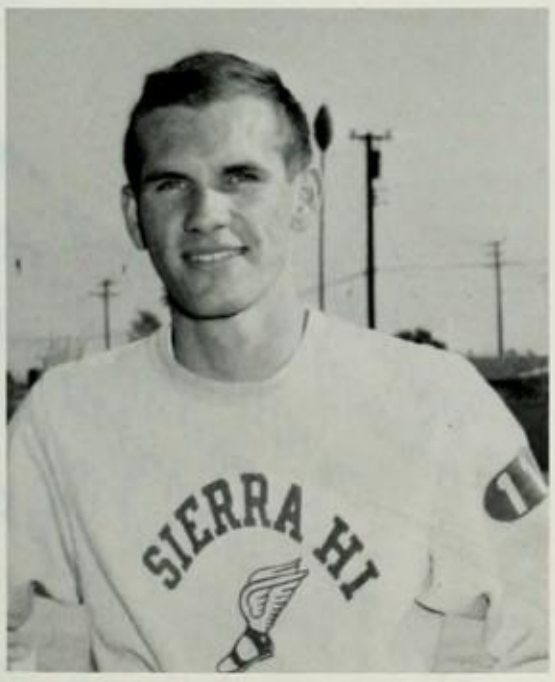
Cross Country: LEWIS JONES

Football: DAN MASON

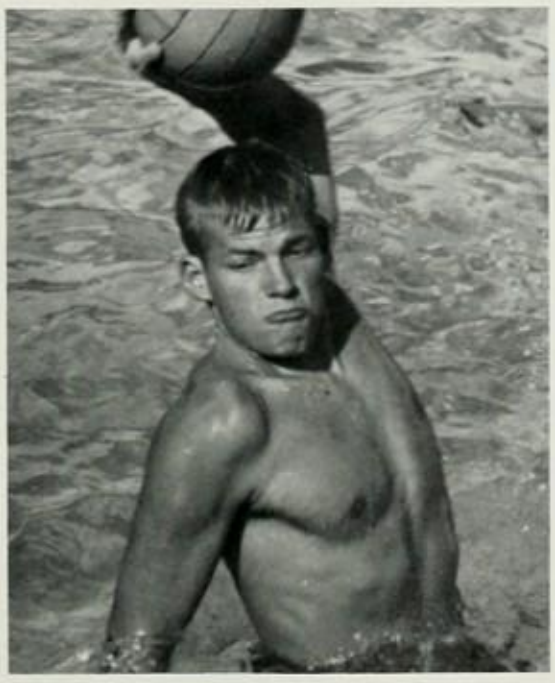
Golf: DAVE WRIGHT



Swimming: JON VAN CLEAVE

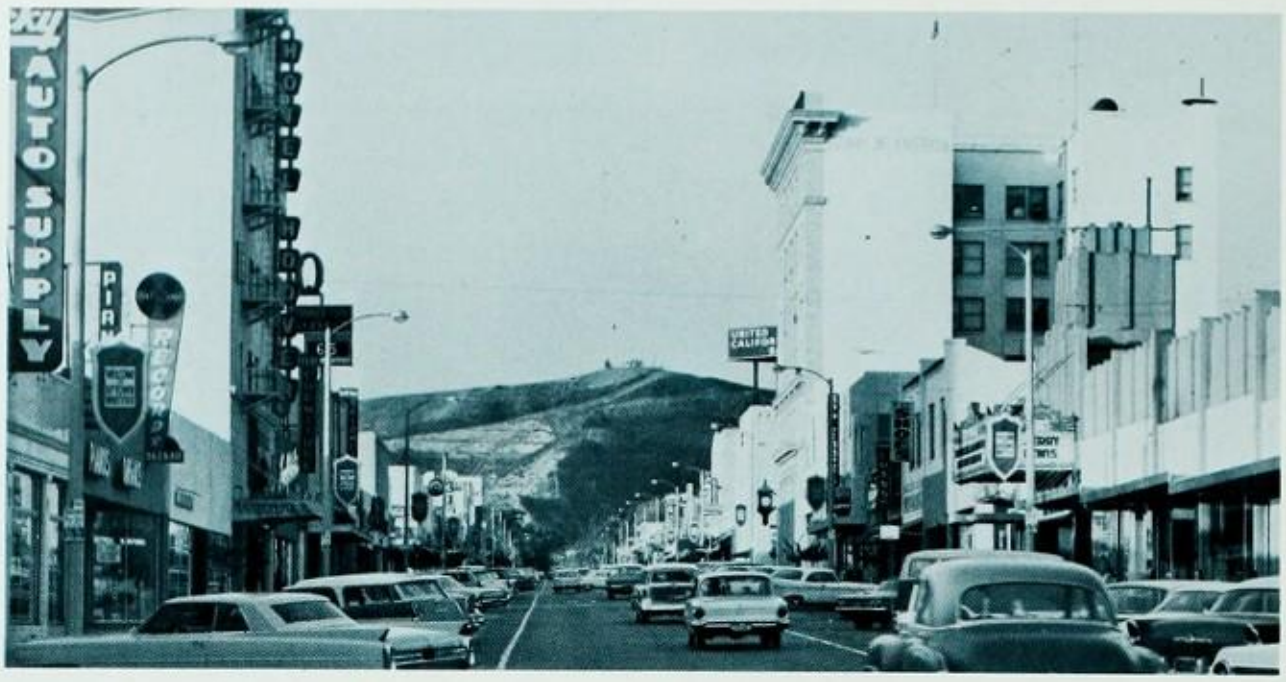


Track: JOHN HERTZBERG



Water Polo: MIKE ANDERSON

Wrestling: JOHN LEE



Automobiles, asphalt, neon lights and plate glass have replaced the buggies, dirt streets and oil lamps typical of the business district of nearly a century ago.

The red brick to the mason's hand,
The brown earth to the tiller's,
The shoe in yours shall wealth command . . .
So all shall see your toil repaid
With hearth and home and honor.

# In Appreciation

As the last pages go to press and the staff members breathe a sigh of relief I stop to wonder how we ever finished on time. Certainly one reason we made it was the help and co-operation we received from many people on and off campus. As my last official duty, I would like to take this opportunity to thank them individually.

Without the experienced guidance of our adviser, **Mr. Richard B. Smith,** this book could not have existed. He patiently spent numerous hours of hard work in order to help complete this book of Spartan memories.

My special gratitude goes to my staff, who have put in many hours of hard work. **Judy Litten,** my Assistant Editor, was second in command and helped the staff in many different ways. Copy Editor **Judy Johns** and the people who worked with her, **Kathy Goble, Elizabeth Page, Dennis Borell, Mike Green,** and **Dave Stouffer,** had one of the most difficult jobs in completing the book. With the artistic talents of **Susan Neill**, Layout Editor, and **Sharon Watson,** Art Editor, designs for the book were easily completed. This couldn't have been done without help from **Donna Daniels, Nancy Hall, Tom Cooper, Hal Gilbert,** and **Barb Scott.** I would next like to thank **Phyllis West,** Sports Editor, and her staff, **Donna Bauman, Gerri Fitzgerald,** and **Paul Sapienza,** for doing a fabulous job in putting together the sports section. Where would we be without the help of our Head Photographer, **Jim Henkel,** and Photo Editor, **Kathy Hubbling?** They worked many extra hours with photographic assistance from **Richard Freymond** and **Paul Johnson.** Of course we couldn't possibly have done without our Business Manager, **Carol Wright,** who was assisted by **Martha Reed.** The two of them, working as a team, took charge of all the finances for the book. This was a gigantic job in itself.

The administration and faculty both deserve recognition for all the work they have contributed in trying to aid the staff. There are **Mr. John Chickanzeff, Mr. Robert Wolstoncroft, Mr. Peter DeVries, Mr. Orval McLellan, Mr. Arthur Harshbarger, Mr. John Landis, Mr. Robert Eicholtz, Mrs. Cecilia Throp, Mrs. Mary Avilez, Miss Verla Bateman, Mrs. Ruth Blake, Mrs. Dorothy Brewer, Mrs. Ruth Hughes, Mr. Mahlon Conly, Mr. Len Craven, Mr. Robert Dugard, Mr. Leo Fessenden, Mrs. Imogene Forker, Mr. Charles Harris, Mrs. Frances Huessenstamm, Mr. Lester Hufford, Miss Marilyn Kahl, Mr. Orville Hinshaw, Mr. Robert Laidlaw, Mr. Paul Lugo, Mr. Robert Minier, Mr. James Naughton, Mr. Fred Osmond, Mr. Don Poucher, Mr. Don Stillwell, Mr. Daniel Swift, Mrs. Patricia Thomas, Miss Louise Van Dommelen, Mr. Paul Ward,** and **Mr. Joseph Wolfe.**

All the secretaries, **Mrs. Kay Sponsler, Mrs. Helen Bell, Mrs. Pauline Isbell, Mrs. Charlene Aldrich, Mrs. Jessie Ann Dennis, Mrs. Terry Dewyer, Miss Bea Pride, Mrs. Marian Christie, Mrs. Zena Hill, Mrs. Frances Kragness,** and **Mrs. Lynn Norwalk,** have helped us tremendously. They were always around, ready to assist us when we needed help.

I can't forget the maintenance workers: **Mr. Bob Wortman, Mr. William Jarross, Mrs. Alma Stinnett, Mr. Harold Caurse, Mr. Orrin Brown, Mr. Jack Hauter, Mr. Howard Edge, Mr. Fred Sanders, Mr. Ray Meunier, Mr. James Greth, Mr. Calvin Rhode,** and **Mr. Wilson Spanks,** who contributed their efforts.

Last, but not least, I would like to thank the off-campus people for their help. **Watson Studios** and their photographers, **Mr. Robert Watson, Mr. Paul Morris, Mr. William Fisher,** and **Mr. Orin Van Dyke,** took many pictures for the book. The **S. K. Smith Company** was responsible for the covers, while the **Taylor Publishing Company** printed the book for us. I would also like to thank the **Thomas Brothers Map Co.** for letting us use their map of Whittier on the end-sheets of the book. The **Whittier Public Library,** for letting us use their picture of John. Greenleaf Whittier, should also be thanked. Thanks, also to the many businessmen who purchased advertising in the book this year.

Finally, thanks to you, the Student Body, for making this book possible with all of your co-operation and participation in the many activities.

Sincerely,

Cheryl Reinhardt
